## **A Winning System for Coarse & Rough Coats**

The Spectrum One System is made especially for the needs of coarse and rough coated breeds. Spectrum One cleans and conditions these difficult to maintain coats, leaving crispness, moisture, strength and substance without weighing down the coat.

***Farewell Laurendel***  
*from the chair*

With much gratitude and heavy hearts we must say farewell to Chuck and Shauna Dasnoit. Chuck got a great job in Atlanta, so he and Shauna will re-establish their home there.

For uncountable years, Chuck and Shauna stored our specialty show equipment, hauled it out and set it up. Their years of service included Chuck acting as ring steward and Shauna chairing the raffle table, as well as holding office in the Triangle Shetland Sheepdog Club.

We hope that the Shetland Sheepdog Club of Georgia appreciates these treasures.
